Fagow

INDEX TO VOLUME I FOR 1928.

READERS in search of a particular subject will find it useful to bear in mind that the references are in several cases distributed under two or more separate but nearly synonymous headings—such, for instance, as Brain and Cerebral; Heart and Cardiac; Liver and Hepatic; Renal and Kidney; Cancer and Carcinoma, Epithelioma, Malignant Disease, New Growth, Sarcoma, etc.; Child and Infant; Bronchocele, Goitre, and Thyroid; Diabetes, Glycosuria, and Sugar; Light, Roentgen, Radium, X Rays; Status Lymphaticus and Thymus; Eye, Ophthalmia, and Vision; Bicycle and Cycle; Motor and Automobile; Association, Institution, and Society, etc. Subjects dealt with under various main headings in the JOURNAL have been set out in alphabetical order under their respective headings — for example, "Correspondence," "Leading Articles," "The Week," "Reviews," etc. Original Articles are indicated by the letter (O).

A.

AARON, Charles D.: *Diseases of the Digestive Organs, with Special Reference to their Diagnosis and Treatment*, fourth edition, rev., 806
ABADIE, Dr., appointed an officer of the Legion of Honour, 243, 291
Abbreviations, use of, 582
ABDERHALDEN, Emil, nominated an honorary member of the Chinese Physiological Society at Pekin, 1096
Abdomen, acute (E. R. Flint), 209 (O)—Correspondence on, 284, 325, 377, 411, 470
Abdomen, acute, diagnosis of (John Marnoch), 136—Review of books on, 223, 1069—"Rising test" for, 788
Abdomen, foreign bodies in the, 199. *See also* Foreign body
Abdominal pain as exemplified in acute appendicitis (John Morley), 887 (O)—Note on, 906—Correspondence on, 1085
Abdominal wall, gynaecological involvements of the (Frederick Roques), 55
ABERCROMBIE, R. G.: Curvatures of the spine following encephalitis lethargica, 174 (O)
Aberdeen. *See* Scotland
Abortion, criminal, medico-legal aspects of (G. Roche Lynch), 452
Abortion and sepsis, 1049
Abortion and shock, 239, 327, 375, 471, 524
Abortions to be reported in the city of New York, 81
Abraham, Karl, Selected Papers of, 225
ABRAHAMSON, Leonard: The over-sensitive child, 220—Psychoneuroses, 221—Addison's disease, 452—(And T. Gillman MOORHEAD): Thrombo-phlebitis migrans, 586 (O)
Abscess, hepatic, and appendicitis (W. A. Barnes and L. V. Pearson), 390 (O)—(William George), 633
Abscess, renal, following gonorrhoea (J. K. G. Way), 716
ABT, I. A.: Legion of Honour conferred upon, 291
Académie de Médecine: The bacillus Calmette-Guérin (B.C.G.), 230, 1077—Serum treatment of poliomyelitis, 403—Classes malonal-urea (barbitone) derivatives as dangerous substances, 581—B.C.G. and non-tuberculous infants (J. Lignières), 909
Académie des Sciences: *Le grand prix Leconte* awarded, 29

ACADEMY, ROYAL, OF MEDICINE IN IRELAND:
Section of Medicine.—The over sensitive child, 220—Addison's disease, 452—Narcolepsy, 945—Congenital pyloric stenosis, 945—Pituitary infantilism, 946
Section of Obstetrics.—Two cases of twisted broad ligament with cysts, 308—Vesico-vaginal fistulae, 308—Clinical report on the Rotunda Hospital, Dublin, 771
Section of Pathology.—Fracture of cervical vertebrae, 553—Sarcoma of the lung and liver, 553—Portal cirrhosis, 633—Bacterial agglutination, 633—Diverticulitis, 1025—New growths, 1026—Fractional test meals, 1026
Section of Surgery.—Conservative treatment of spinal caries, 55—Treatment of fractures, 55—Bone complications in typhoid fever, 56—Thyroidectomy in toxic goitre, 353—Obstetrical fractures of the femur, 354—Tuberculosis of the urinary tract, 666—Skeletal metastases in carcinoma, 839—Surgical uses of radium, 899

Academy of Medicine of Jerusalem, 865
Accident prevention, psychology of, 191; conference on, 191
Accident services in industry, 1077
Accidental haemorrhage. *See* Haemorrhage
Accidents in coal mines (parliamentary note), 830
Accidents, road, hospitals and, 192, 232, 237, 925
Accidents in the Royal Air Force (parliamentary note), 830
Accidents, street (parliamentary note), 290
Accidents, street, followed by gas gangrene, 74, 534. *See also* Gas gangrene
Achalasia and degeneration of Auerbach's plexus (A. T. Rake), 983
Achalasia of the cardia (so-called cardiospasm), 690, 773. *See also* Cardia

ACHARD, Ch.: *Clinique Médicale de l'Hôpital Beaujon*, rev., 635
Acne, ultra-violet rays for, 966, 1007
Acriflavine in wound treatment (J. G. Graham), 173
Acta Medica Scandinavica: Supplementum xix: *Der Gehalt des Blutes an Calcium und Kalium* (Eskil Kylin), 60—Memoir of Karl Petrén, 119
Acta Paediatrica: Possible dangers of cod-liver oil (E. Agduhr), 639
Acta Psychiatrica et Neurologica: Viggo Christiansen number, 291
Acta Tuberculosea Scandinavica: The "Hälsan" Institute in Norrbotten (Gustaf Neander), 638
Actinomycosis of the lung, primary (Herbert Sharpe), 1107 (O)
Actinomycosis pulmonary (F. M. Johns), 404
Actinotherapy, review of books on, 356
Acute abdomen. *See* Abdomen
ADAM, James: Peptone treatment of asthma, 328—Laryngeal myxoedema, 594—Five generations attended by one doctor, 832—Otosclerosis, 983
ADAMS, S. (and H. C. WESTON): *On the Relief of Eyestrain among Persons Performing very Fine Work*, 1119
ADDISON, O. L.: Treatment of hare-lip, 1025
Addison's disease (L. Abrahamson), 452
Adenoids, death after operation for (parliamentary note), 616
Adolescence, review of book on, 806
Adrenaline in medical and surgical practice (W. M. Beaumont), 1104 (O)

AFRICA, SOUTH, UNION OF:
Asbestosis, pulmonary in (F. W. Simson), 885 (O)
Food, Drugs, and Disinfectants Bill, 1043
Health Insurance, National, in, 673
Health legislation, 370
Medical Association's Congress, 684, 742
Medical, Dental, and Pharmacy Bill, 516, 1042
Midwives, supervision of, 1043
Native infantile mortality, 370
Official visit to (H. B. Brackenbury), 726
Pretoria, health of, 370
Public Health Amendment Bill, 1042
South African Field Hospital, 232
Typhoid immunization by the mouth in, 159
Vaccination problems, 1042
Venereal diseases campaign, 517
Venereal diseases notification, 1043

Africa, tropical, birth and death rates in (parliamentary note), 532
Africa, West: West African Medical Staff, revised list, 787—Yellow fever in, 865
African Congress. *See* Congress
Agar serum, peptoned, an improvement in (A. Gunn Auld), 171 (O)—Correspondence on, 328
AGASSIZ, Dr.: Non-tuberculous fibrosis of the lung in children, 815
AGDUHR, E.: Possible dangers of cod-liver oil, 639
Age at death and the birth rate. *See* Birth rate
Age, prolongation of, in Scotland (William Robertson), 728
Air Force, Royal: Report on the health of the force in 1926, 186—Estimates, 472, 529—Parliamentary notes, 472, 474, 697, 830—Hospitals of, 474—Accidents in, 830
Air navigation: Medical requirements for aviators (civil flying), 20—*Medical Examination of Civilian Aviators* 991
AITKEN, McCrae: Scope of surgery in chronic arthritis, 348
AITKIN, C. J. Hill: Case of somatic taeniasis, 943
Alabama, a Listerian in, 582
Alberta, Government travelling clinics in, 516—Sterilization of the feeble-minded in, 680, 823, 878
Albuminuria during pregnancy (G. F. Gibberd), 219
Alcohol in relation to business life (Sir Maurice Craig), 408
Alcohol and longevity (Raymond Pearl and Agnes L. Bacon), 148
Alcohol problem, review of book on, 1114
Alcohol, revenue from the sale of, in India (parliamentary note), 381
Alcoholic inebriety, causes of, 691, 774, 876. *See also* Drunkenness

Alcoholism, etiology of: Discussion at the Royal Society of Medicine, 591—Correspondence on, 691
ALDRIDGE, E. A.: Appreciation of Basil Thorn Lang, 201
"Alepol," 225
ALEXANDER, A.: Treatment of ulcers of the mouth, 203
ALEXANDER, Browning: Liver diet in pernicious anaemia, 179
ALEXANDER, F. Matthias: Body and mind, 788
ALEXANDER, Sir Sidney: Intravenous treatment of varicose ulcers, 898
ALFORD, Henry James, obituary notice of, 882
Alkaline treatment of gastric and duodenal ulcer (Hugh MacLean), 619 (O)
Alkaloids, the production of (T. A. Henry), 638
Alkalosis and ketosis, 402
ALLAN, F. J.: Painless first labour, 480
ALLAN, Geo. A.: The early detection and supervision of rheumatic infection in children, 39 (O)
Allan, James Cyril Dalmahoy: a memoir, rev., 139
ALLBUTT [Sir Clifford] memorial at Papworth. *See* Papworth
ALLEN, Geo. P. F.: The Meinicke syphilitic reaction, 1049—Heat cramp and heat hyperpyrexia, 1098
ALTOUNYAN, E. H. R.: Blood group percentages for Arabs, Armenians, and Jews, 546
ALTROCK, Hermann: *Kleine Sportskunde*, 365
"Ambidex" wrist splint, 1115
Ambulance Service: Home Service Ambulance Committee report, 603, 1053—First-aid service on the roads, 603
Ambulatory treatment of varicose ulcer. *See* Ulcer
America. *See* United States
American tour of the Surgical Section of the Royal Society of Medicine, 186
American universities, impressions of, 366
AMERY, Mr.: Health of the Colonies, 1118
Amoebae, intestinal, of man (E. Brumpt), 1110
Anaemia, acute aplastic, 918, 1048, 1129
Anaemia associated with dysphagia (A. Mason Jones and Robert D. Owen), 256 (O)—Correspondence on, 375, 467, 521, 610—(Sidney Elisabeth Croskery), 494—Leading article, 636
Anaemia of malignant disease (leading article), 721
Anaemia, pernicious, treated with liver diet (F. A. Phillipps), 93 (O)—(H. F. Brewer, A. Q. Wells, and F. R. Fraser), 165 (O)—Discussion on, 178—Leading article, 188—Report by the Medical Research Council, 398, 463—(C. F. T. East), 491 (O)
Anaemia, pernicious: *Recipes for Drs. Minot and Murphy's Liver Diet* for, rev., 102—Messrs. Armour's booklet of recipes, 243—Wellcome liver extract, 502—B.D.H. liver extract, 806
Anaemia, review of book on, 918, 1113
Anaemia, secondary, liver treatment of, 244
Anaesthesia, general, hyperglycaemia in, an atypical case (R. L. Mackay), 892 (O)
Anaesthesia, inhalation, prize for research on, 381
Anaesthesia, local, deaths from, 81
Anaesthesia, rectal oil-ether (Robert A. Hatcher), 769
Anaesthetic, general, a new type of—tetrabromethyl alcohol, "avertin" (W. E. Dixon), 896
Anaesthetics and diabetes, 1127
Anaesthetics, local, activity of, 68
Anaesthetics in obstetrics (Eardley Holland), 394—Discussion, 395
Anaphylaxis, severe, 480, 582
Anastomosis between the recurrent laryngeal and phrenic nerves. *See* Nerve
Anastomosis, nephro-ureteral, after complete avulsion of the ureter, 1091
Anatomy, value of (M. R. Drennan), 109
Ancient Scottish surgeon—John Naesmyth, 570
ANDERSON, Adelaide Mary: *Humanity and Labour in China*, rev., 1029
ANDERSON, J.: Wire bristle in the bowel, 14
ANDERSON, John: The effect on the tissues of the arc electrode in surgical diathermy, 222
ANDERSON, Robert: Fatality rates of small-pox, 156
ANDERSON, William: Chronic pulmonary suppuration, 597

ANDREWS, J. A.: Cytology of Jensen's rat sarcoma, 274
Aneurysm, innominate, ligature of the innominate artery for (E. R. Flint), 979
Angostura bitters, composition of, 966
Anhydrous hydrocyanic acid exempted from key industry duty, 741
Animal organisms, review of books on, 762
Animals, experiments on (parliamentary note), 474, 1096, 1131—Debate in Edinburgh, 518, 1119—Note on, 1111. *See also* Vivisection
Animals, Slaughter of (Scotland) Bill, 289, 380, 1131. *See also* Slaughter
Announcements of forthcoming events, etc., 37, 80, 119, 163, 202, 242, 290, 333, 381, 428, 478, 532, 580, 617, 649, 698, 741, 786, 830, 882, 928, 965, 1006, 1053, 1096, 1132
Annual Charities Register and Digest, rev., 806
ANREP: The coronary circulation, 404
Ante-natal clinics in Liverpool, 741
ANTHEAUME, A., death of, 696
Anthrax (parliamentary notes), 474
Anthrax, serum treatment of (G. C. E. Simpson), 135
Anthropology, legislative, the science of (Arthur MacDonald), 150
Antirachitic effect of sunshine, 272. *See also* Rickets
Antiseptics, fixation of by dressings and tissues: its importance in wound treatment, with special reference to acriflavine (J. G. Graham), 173 (O)
Antiseptics in ophthalmic surgery, 32
Antistreptococcal action of certain arsenical preparations (Leonard Colebrook), 367
Antivivisection, early days of (W. W. Keen), 291
Antrum, maxillary, foreign body in (S. Subba Rao), 546
Anus, imperforate (J. W. Burns), 981
Anxiety neurosis. *See* Neurosis
Apothecaries' Society of London: Livery dinner, 37—Degrees and pass lists, 200, 378, 580, 740, 1002, 1132—Mastery of midwifery, new diploma, 1050
Appendicectomy during herniotomy under local anaesthesia (D. Mackenzie), 443—Correspondence on, 618
Appendicitis, acute, abdominal pain as exemplified in (John Morley), 887 (O)—Note on, 936—Correspondence on, 1035
Appendicitis, acute, treatment of (H. H. Rayner), 706 (O)
Appendicitis, acute, following typhoid fever (V. L. Ferguson), 979
Appendicitis, chronic, in children (Robert Hutchison), 348—Discussion, 349
Appendicitis, chronic, *x* rays in the diagnosis of, 76, 468
Appendicitis and cyclical vomiting, 823
Appendicitis and hepatic abscess (William George), 633
Appendicitis complicated by suppurative pylephlebitis and hepatic abscesses, a case of recovery (W. A. Barnes and L. V. Pearson), 390 (O)
Appendicitis, review of book on, 806
APPERT, R. M.: Bequest to the Pasteur Institute, Paris, 291
Arabs, Armenians, and Jews, blood group percentages for (E. H. R. Altounyan), 546
ARCHER, B. W. Crowhurst: Dyspituitarism, 717
ARCHIBALD, Robert George, C.M.G. conferred on, 24
Archives of Neurology and Psychiatry (edited by Frederick L. Golla), vol. ix, rev., 59
Archiv für Verdauungskrankheiten, forty-third volume dedicated to Professor I. Boas, 1133
Archiv für Verdauungs- und Stoffwechselkrankheiten: Special number dedicated to Professor H. Strauss, 1133
ARDIN-DELTHEIL, Professor, nominated dean of the medical faculty of Algiers, 429
Armenians, Arabs, and Jews, blood group percentages for (E. H. R. Altounyan), 546

ARMY, BRITISH:
Commissions in the R.A.M.C., 1132
Dispensers in the R.A.M.C., 1095
Dispensers in the Territorial Army, 1095
Estimates, 473, 529
Health of: Annual report, 268
Hospitals, cost of accounts, 1095
Parliamentary notes, 473, 697, 1095
Territorial decoration, 119, 882

Army, United States: Medical report (1926–27), 234
ARON, Dr. (of Strasbourg), title of professor conferred on, 243
Arsenic in sugar, 1002
Arsenical preparations, anti-streptococcal action of certain (Leonard Colebrook), 367
Arsenious oxide in neutral and alkaline solution (William H. Miller), 407
Art, medicine in (Sir Berkeley Moynihan), 1044
Artery, deep epigastric, haemorrhage from into the rectus abdominis (Donald MacLennan), 895
Artery, innominate, ligature of for innominate aneurysm (E. R. Flint), 979
Artery, superior mesenteric, embolus of (Harold J. Selby), 757
Artery, pulmonary, disease of the, 604
Artery, central retinal, bilateral embolism of the (T. G. Wynne Parry) 178—Correspondence on, 286
Arthritis, chronic, etiology of (J. B. Burt), 309
Arthritis, chronic, endocrine imbalance and its relation to (G. L. Kerr Pringle), 751 (O)
Arthritis, chronic, non-specific, report on (J. Alison Glover), 815, 904
Arthritis, infective, acidophilous milk in (E. Biddle), 519
Arthritis, chronic rheumatoid, the scope of surgery in the treatment of (C. Max Page), 343 (O)—Discussion on, 347—Calcium and carbonic acid content of the serum in (D. Macmillan), 519
Arthritis, rheumatoid, minimal rises of temperature in (L. Schmidt), 493 (O)—Correspondence on, 610. *See also* Rheumatoid
Arthropathy, Charcot's, of both wrists (C. Worster-Drought), 717
Artificial light. *See* Light
Artificial silk factories. *See* Factories
Asbestosis, pulmonary, in South Africa (F. W. Simson), 885 (O)
ASH, W. M. (and W. GORDON): Rain-bearing winds and early phthisis in Derbyshire, 337 (O)
ASHBY, Hugh T. (and James ROBERTSON): Ergot poisoning among rye bread consumers, 302 (O)
Ashmolean Society. *See* Society of Friends
ASHTON, Robert Johnston: Kaisar-i-Hind medal conferred on, 988
Assam, health progress in, 283
Association, American Laryngological: Semi-centennial meeting, 743—Intrinsic cancer of the larynx operated upon by laryngo-fissure, 743
Association, British, Annual Meeting, Glasgow (1928), 1039
Association, British Medical: Ninety-sixth Annual Meeting, Cardiff (1928), 142, 232, 509, 682, 954, 1034, 1040—Cardiff and its history, 142, 682, 1040—Pathological museum, 232—Historical exhibition at, 509, 520, 954—Leading article on, 1034
Association, British Medical: Annual Meeting at Edinburgh (1927), 235—Presentation to certain officials, 235

ASSOCIATION, BRITISH MEDICAL.—Proceedings of Branches and Divisions:
Ayrshire Division.—Some aspects of gall-bladder disease, 481
Bath and Bristol Branch.—Nasal and oral focal sepsis in the etiology of gastro-intestinal and pulmonary infective diseases, 931
Belfast Division.—Prognosis in pulmonary tuberculosis, 436
Blackburn Division.—Puerperal sepsis, 971
Bradford Division.—The treatment of pneumonia, 444
Camberwell Division.—Methods of combating diphtheria, 944
Chelsea Division.—Heart attacks, 1009
City Division.—Urinary obstruction, 14—Fibrositis, 758
Dewsbury Division.—The acute abdomen, 209
Eastbourne Division.—The treatment of exophthalmic goitre, 83
Gloucestershire Branch.—High blood pressure, 802—Congenital torticollis, 802—Supracondylar fracture of humerus, 802—Spastic paraplegia, 802—Scissor-leg deformity of the limbs, 803—Equinus deformity of the feet, 803
Guildford Division.—Clinical pathology and general practice, 897
Hampstead Division.—Treatment of gastric ulcer, 168
Harrogate Division.—Immunization against diphtheria, scarlet fever, and measles, 833
Hendon Division.—Ringworm and its treatment, 656
Hong-Kong Branch.—The cause and treatment of the crisis in lobar pneumonia, 661
Kensington Division.—Debatable aspects of the surgery of gastro-duodenal ulceration, 623
Kent Branch.—The early detection and supervision of rheumatic infection in children, 39—The intensive alkaline treatment of gastric and duodenal ulcer, 619

Weed-killer, non-arsenical, fatal case of poisoning by (A. H. D. Smith), 714 (O)

The Week:
Academy of Medicine of Jerusalem, 865
Accident services in industry, 1077
Alcohol and longevity, 148
Alkaloids, production of, 638
Alkalosis and ketosis, 402
American Physicians and Surgeons, Congress of, 767
American universities, impressions of, 366
Anaesthetics, activity of local, 68
Antirachitic effect of sunshine, 272
Artificial humidity in cotton cloth factories, 765
Asthma research, 458
Bacillus Calmette-Guérin (B.C.G.), 230—A criticism of, 364—And non-tuberculous infants, 909—The present position of pre-immunization with, 1077
Barbados, infection of with malaria, 66
Bayliss and Starling memorial, 605
Berthelot, Marcellin, 68
Blind, Welfare of, Advisory Committee, 26, 873
British Medical Association scholarships and grants, 640
Budget, the, 724
Bulletin of Hygiene, 150
Bush nursing, 67
Cancer campaign, British Empire, 640
Cancer Conference, International, 815, 1076
Cancer of the uterus, 24
Cardiac malformations and endocarditis, 953
Cardiac tonics, 603
Cassel Hospital, 908
Cholera bacteriophages, 365
Cholera bilivaccin, 274
Cod-liver oil, possible dangers of, 639
Colon, segmental resection of the, 459
Colonies, health of the, 1118
Coronary circulation, 404
Coroner again, 1078
Coroner's discretion, 864
Coroner's jury and hospital arrangements, 763
Cytology of Jensen's rat sarcoma, 274
Daylight in buildings, 681
Death, partial, 865
Diphtheria immunization: the Queensland fatalities, 193, 1076
Disease of the pulmonary artery, 604
Disease, seasonal variations in, 563
Dreams, 105
"Drink-more-milk" campaign in the United States, 1120
Drugs of addiction, international control of 907

The Week (*continued*):
Dutch and Danish condensed milk, 319
Education committees and the salaries of medical officers, 952
Encephalitis in the child, life-history of, 908
Encephalitis and crime, 190
Endoscopy, 862
Epidemics in Pepys's diary, 319
Ergot poisoning, epidemic, in England, 318
Ethyl petrol, 363
European vital statistics, 724
Evolution of a health department, 681
Evolution of reception orders for mental patients, 363
Ex America semper aliquid novi, 150
Exercise as a therapeutic agent, 680
Experiments on animals, 1119
Eye defects, care of, 106
Eyestrain and fine work, 1119
Familial hypertrophic pyloric stenosis, 563
Ferrier, Sir David, memorial to, 1039
First-aid service on the roads, 603
Foot-and-mouth disease in 1927, 64
Formosa, an English hospital in, 151
Fowl tumour, artificial production of, 909
Fractured clavicle, 723
Fractures, treatment of, 107
"Friends of the Old Ashmolean," 813
General Medical Council's income tax case, 604—Its session, 953
German legislation against venereal disease, 562
Gland grafting, 510
Gordon of Aberdeen, 990
Haig, Earl, 193
Half-forgotten war, 68
Harveian Society of London, 1078
Harvey Tercentenary (1628-1928), 509, 603, 992; in Paris, 992
Hastings Lecture, 366
Health and education, 149
Health in industry, 605
Health organization of the League of Nations, 814, 990
Heating of large houses, 458
Hepatic efficiency, estimation of, 231
Historical exhibition at Cardiff, 509, 954
